

ELITE 2015

- Our best selling wave sail.
- 4 battens, light-weight and very stable.
- Designed for all wave sailing conditions, including flat water.
- Powerful, but with a soft feel.
- Wide wind range, so fewer sails are needed in your quiver.
- The Elite is strong. We use Technora and Spectra X-ply sailcloth.
- Our unique Color Fusion sailcloth makes the Elite visually stunning.
- Calibrated rigging system for fast and accurate rigging.
- The Elite also works with non-Ezzy masts.
- Every Elite is rigged and thoroughly inspected in our factory.
